Activities

In the fall, Jane Byrne (picture 1) spoke to a Convocation audience that was ☐ enthralled ☐ sleeping ☐ stunned ☐ intrigued ☐ dead. She described how ☐ dangerous ☐ luxurious ☐ wild and crazy ☐ invigorating it was living in the Cabrini Green Housing Project. When asked to comment about the presidential election she ☐ burst into tears ☐ laughed hysterically ☐ declined to comment ☐ announced her write-in candidacy. Of all the Convocation speakers who came to L.F.C. Jane Byrne was the most ☐ electrifying ☐ dignified ☐ stimulating ☐ scandalous ☐ likely to be Geraldine Ferraro's 1988 running mate.

This lovely bunch (picture 2) materialized Halloween weekend on campus. This terrifying trio donned masks to hide their true identities and posed as ☐ The Three Muskateers ☐ Snap, Crackle and Pop ☐ The Three Stooges ☐ Huey, Louie and Dewey ☐ Carson, Pirie and Scott. At the many parties that weekend, they were ☐ tarred and feathered ☐ applauded ☐ booed ☐ ignored ☐ bounced. They may not have won any prizes for being most beautiful but they could have won for most ☐ hideous ☐ sexy ☐ ghastly ☐ sophisticated ☐ inhuman.

The Activities Fair (picture 3) gave organizations a chance to recruit ☐ innocent ☐ foolish ☐ hyperactive ☐ unsu pecting ☐ homesick Freshmen to join their groups. A wide variety of groups were represented, including ☐ The National Organization for the Preservation of Jane Fonda ☐ Trivial Pursuit Players Anonymous ☐ The Lake Forest Society for the Prevention of Cruelty to Centipedes ☐ The National Dishonor Society. They attempted to entice prospective members by telling them how ☐ prestigious ☐ degrading ☐ mind-boggling ☐ fulfilling belonging to their groups could be. The Activities Fair served its purpose well as organizations gained many ☐ new ☐ perplexed ☐ interested ☐ eager members.

Intramural sports are enjoyed by a great many L.F.C. students. IM Football (picture 4) is only one of the many IM sports including ☐ deep-sea diving ☐ volleyball ☐ synchronized swimming ☐ mountain climbing ☐ juggling. The champions, instead of being awarded the traditional t-shirts or trophies this year, were given ☐ free passes to Szabo ☐ a lifetime subscription to **The Stentor** ☐ an unlimited supply of Gatorade ☐ first aid. IM's supplied much needed exercise to many students whose only other physical exertion was ☐ going to the bathroom ☐ pushing the elevator button in Young Hall ☐ raiding the refrigerator ☐ checking their mailboxes for cookies from home ☐ getting up to change the T.V. station.

Broadway music made its way to L.F.C. as part of the annual Cabaret (picture 5). Lisa Brauston, a member of the Chorus, performed a memorable rendition of ☐ Row Row Row Your Boat ☐ Twinkle Twinkle Little Star ☐ The theme song from **Gilligan's Island** ☐ All That Jazz ☐ One-hundred Bottles of Beer on the Wall. The entire chorus belted out "On Broadway" ☐ a **capello** ☐ Standing on their heads ☐ in drag ☐ while skydiving ☐ with laryngitis. The show was ☐ spectacular ☐ adequate ☐ scintillating ☐ phantasmagoric and could have even entertained ☐ Attila the Hun ☐ Wild E. Coyote ☐ Scrooge ☐ your great-Aunt Bertha.

During Homecoming, L.F.C. welcomed Jay Leno (picture 6), a well-known ☐ used car salesman ☐ fishpacker ☐ nuclear physicist ☐ priest ☐ comedian. He cracked up the audience by ridiculing ☐ Business ☐ English Literature ☐ Art ☐ History ☐ Philosophy ☐ Political Science majors. The underlying theme of his routine was ☐ sex ☐ college life ☐ sex ☐ television ☐ sex. He inquired as to what kind of pets students keep on campus and was stunned to hear that ☐ ferrets ☐ Orca the killer whale ☐ giraffes ☐ Bo the incredible trick hamster ☐ tarantulas live(s) in the dorms. You can catch Jay on ☐ the Six O'clock News ☐ Sesame Street ☐ Lifestyles of the Not-So-Rich and Famous ☐ Late Night with David Letterman ☐ The People's Court.

Homecoming

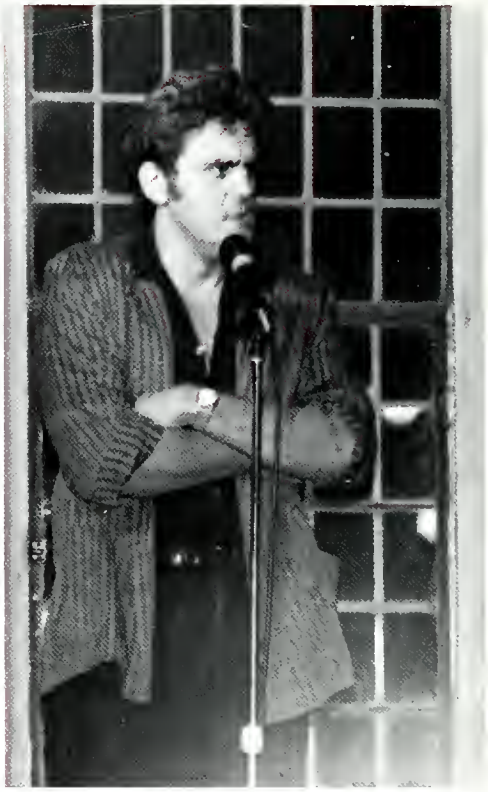
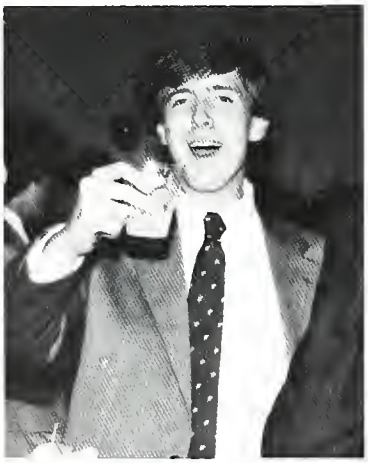
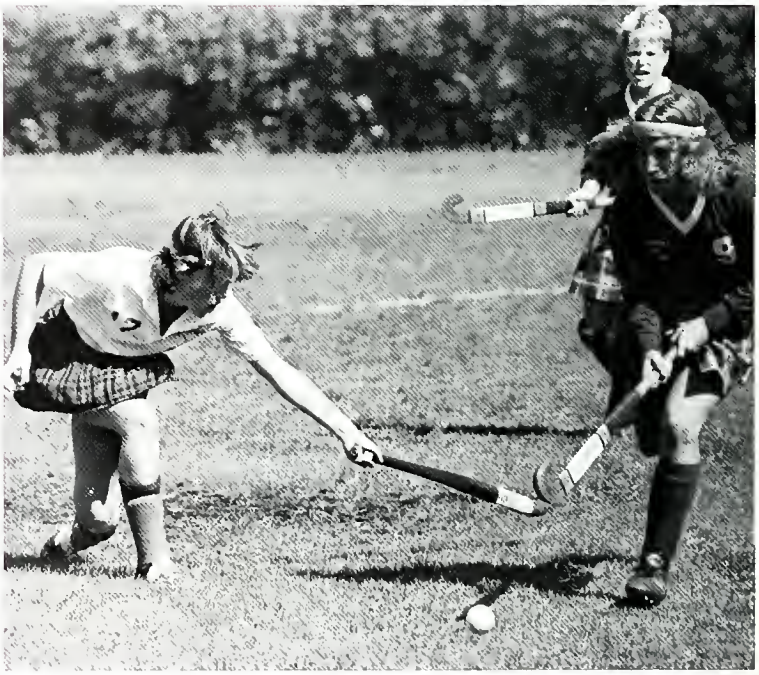
Homecoming Weekend 1984 got underway Thursday evening with a performance by the popular comedian, Jay Leno, who often appears on "Late Night with David Letterman." His humor kept the Standing Room Only crowd in stitches for almost two hours. The highlight of the weekend was the semi-formal dance held Friday evening at the Lake Forest Club. The music, provided by the Mistakes, energized the crowd and kept them dancing all night. Saturday morning, LFC students and the Antioch High School Marching Band paraded through town en route to the football game, where LFC trounced Monmouth College in a 13-0 victory. The Field Hockey and Soccer teams were also victorious in their Homecoming games. All in all, the efforts of the Homecoming Committee, chaired by Ellen Cishek, resulted in a smashing success!







Halloween

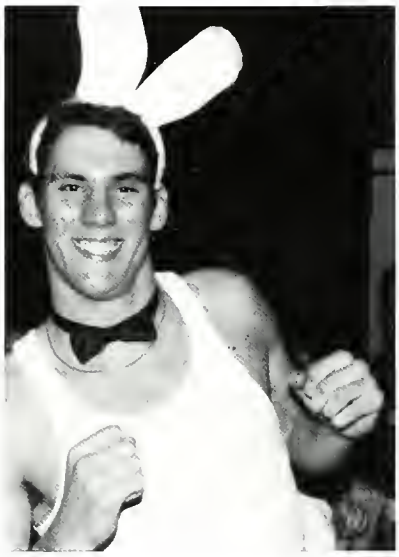
Kegbusters, Crayolas and the Dead Kennedy's. What do these have in common? They all popped up on LFC's campus during Halloween weekend. Parties were planned for the weekend before October 31st, and attendance was incredible. Friday night, ghosts, goblins, and Dracula impersonators found their way to Alpha Chi and Deerpath. Saturday night the Brotherhood party was filled with clowns, witches and everything else imaginable. Steve, Bob and Rich, a hot new band from Kansas City rocked Commonplace at the Halloween Dance. Later, prizes were awarded for the most original, outrageous and attention-getting costumes. Being someone or something else for an evening or two gave all involved a break from being just ordinary LFC students.



MAYO
THE

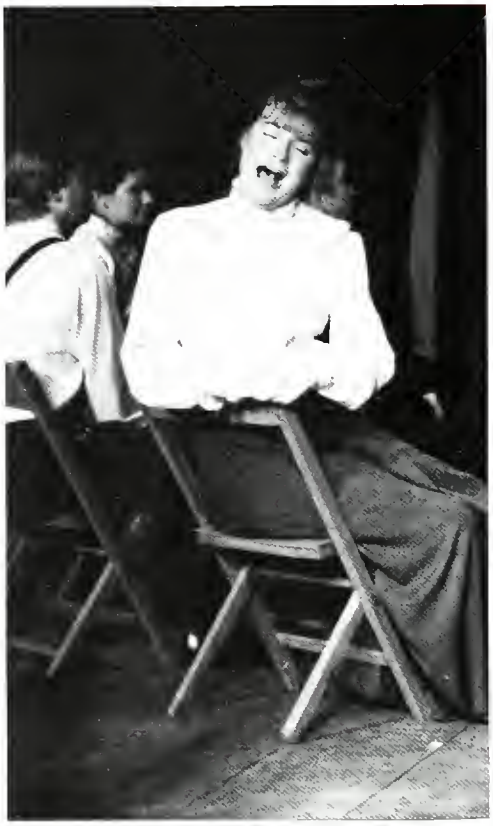
Convocation

The Convocation Committee succeeded in bringing together a very interesting collection of speakers, although poor attendance was once again a problem. Former Presidential candidate John B. Anderson was the Opening of the College Convocation speaker. Former Chicago mayor Jane Byrne, ex-football great Gale Sayer, political cartoonist Frank McMahon and Chicago alderman Clifford Kelley were just a few of the speakers who appeared in the Fall Convocation series. The Tuesday Convocation time slot was also used in December to provide a forum for Student Government candidates to present themselves and their ideas.

The Spring Convocation schedule was highlighted by the annual Town Meeting with President Hotchkiss and community members, sex therapist Phylis Levy, Pulitzer-prize winning poet Gwendolyn Brooks and business whiz Ted Turner. Let's hope that next year's speakers are as interesting and that more students and faculty attend.

Our Town

The Garrick Players' fall production this year was Thornton Wilder's **Our Town.** With Stage Manager Ted Meissner as guide, the audience was taken into the lives of the members of a small New Hampshire town at the turn of the century. The play showed us the simple events of daily life, a marriage and a death, and in so doing brought us to the realization that the world is truly "too wonderful for anyone to realize," and that the most special things in life are often the simplest every day occurences, like sleeping and waking up. The show was a sell-out for all performances.

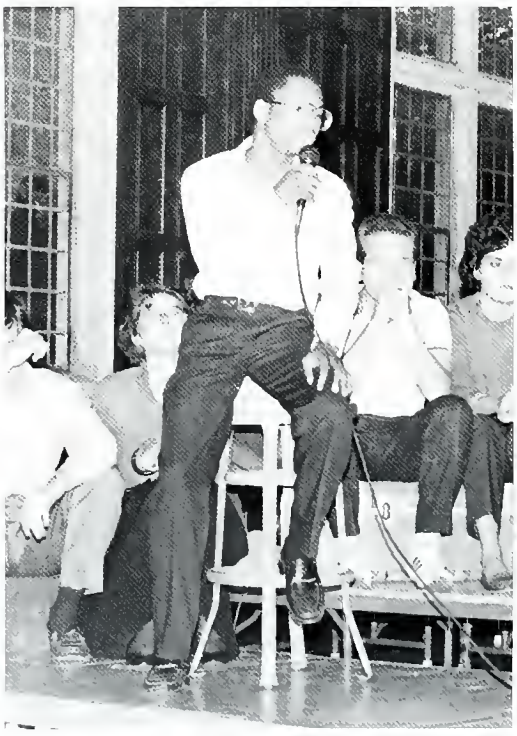


Playwrights-In-Progress

Playwrights-in-Progress gives budding LFC playwrights an opportunity to see their works staged. This year, five plays were produced, including **Gameshow** and **Coffee Shop** by Charlie Britton, **Chemistry** by P.D. Brooks, **Piano Wind** by Claudia Kupiec and **Route 66** by Lauren Targ.

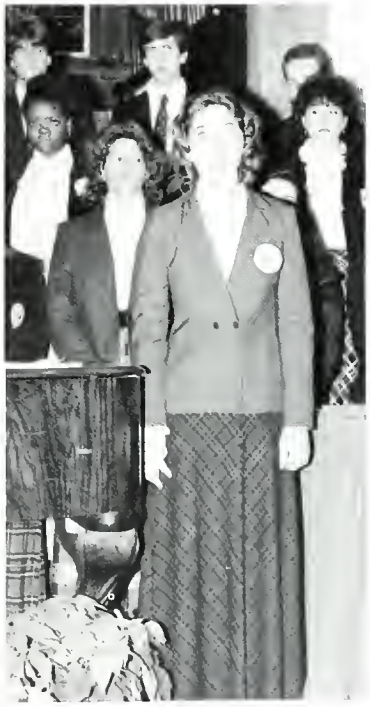
Cabaret

Once again, the Lake Forest College choir sang to large crowds when they put on their annual Cabaret. The show consisted of five numbers belted out by the choir and several solos and duets performed by various members of the choir. One new twist this year was the addition of drums and an electric guitar which were used quite effectively in the final number. The Broadway flavor and casual atmosphere made Cabaret an enjoyable program to participate in as well as listen to and watch.



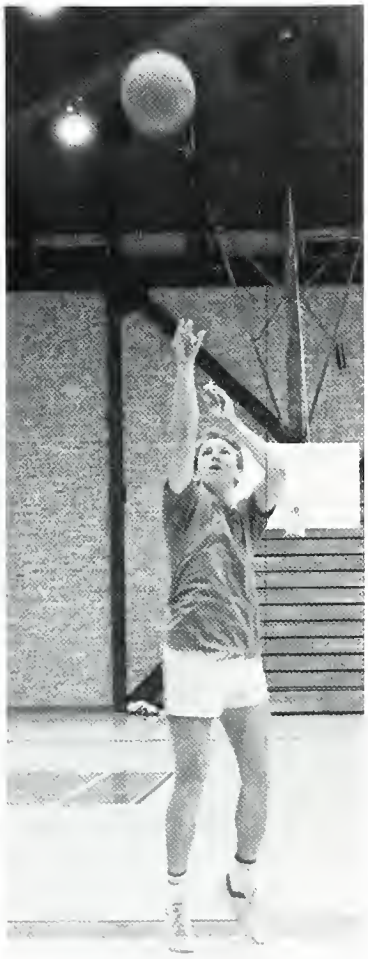
Christmas Festival

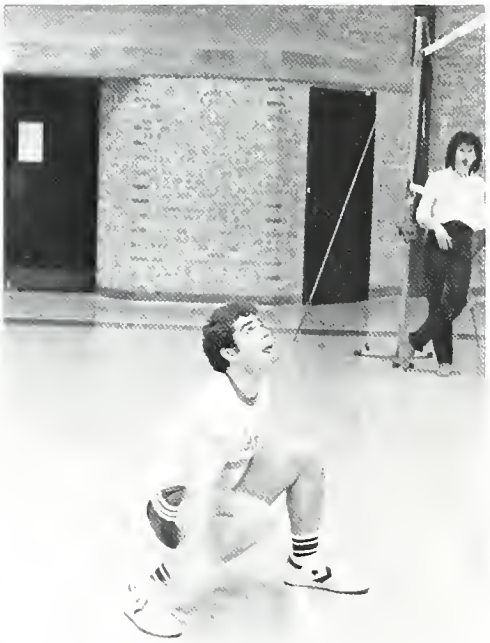
The annual Christmas Festival put everyone who attended into the holiday spirit. The Choir performed, as well as the Madrigal Singers, the Handbell Choir, the Wind Ensemble, the String Ensemble and soloists from the Choir. Old Favorites were heard, such as "O Come All Ye Faithful" and "O Holy Night," as well as holiday songs less well known to us, such as "Love came down at Christmas" and "How far is it to Bethlehem?". The finale, "Silent Night," performed a capello in candleight, was lovely, and ended the evening on a very sweet "note."



Intramurals

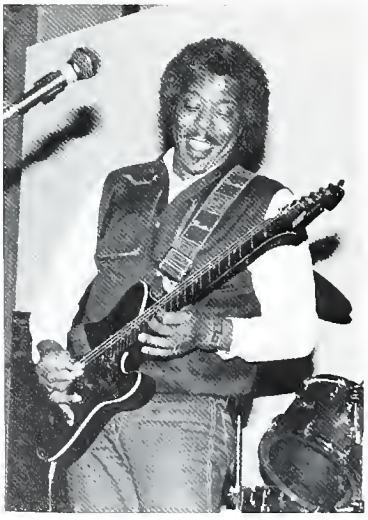
There's a sport for almost everyone at LFC, and you don't have to be a superstar to participate. Intramural sports provide an opportunity for non-varsity athletes to play Football, Hockey, Basketball and Softball. For some students IM sports provide a chance to get some exercise, meet new people and experience the thrill of victory and the agony of da-feet!!

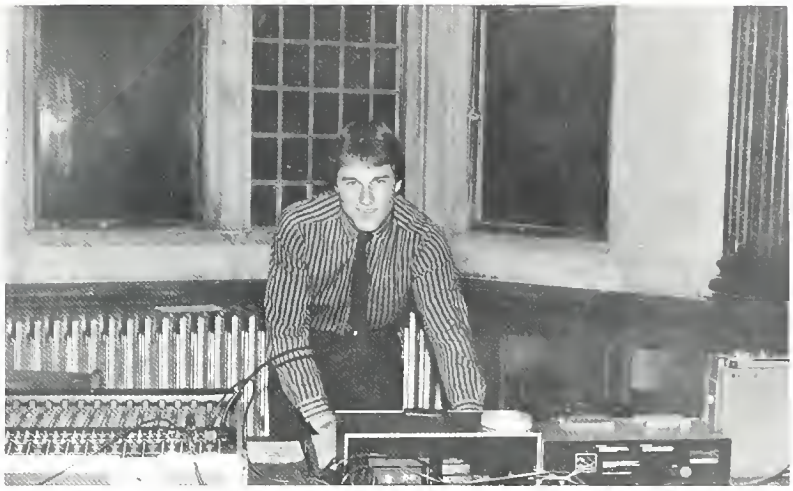




Campus Activities

This year weekends at LFC kept people hopping! Live bands, such as **Big Twist and the Mellow Fellows** and Video Dance Nights sponsored by the Campus Entertainment Committee gave students the chance to unwind and dance to their hearts content! Special theme weekends, such as "Blues Weekend," "Big Chill" Weekend and of course "Ra Weekend" made LFC a great place to be Fall, Winter and Spring!





Organizations

This yearbook photographer (picture 1) looks like this because he ☐ just spent three days straight in the darkroom ☐ is a mass murderer ☐ belongs on the other side of the camera ☐ is just natuarally good looking. He is known by the yearbook staff for his ☐ vulgarity ☐ ability to print pictures at the speed of light ☐ offbeat sense of humor ☐ skill of putting film in a camera. He is so glad the yearbook is finally finished he is going to ☐ jump up and down ☐ wet his pants ☐ throw away his camera ☐ celebrate at the Deerpath Inn with the rest of the staff.

This radio disc jockey (picture 2) has just finished a set consisting of ☐ "I'm Just a Sweet Transvestite" from "Rocky Horror" ☐ "I Lost on Jeopardy" by Weird Al Yankovich ☐ "Why don't We Get Drunk and Screw?" by Jimmy Buffett ☐ The Lake Forest College Alma Mater. Of course these songs were on the top request list; his favorites are ☐ "Girls Just Want to Have Fun" by Cindy Lauper ☐ "Puff the Magic Dragon" by Peter, Paul and Mary ☐ "Physical" by Olivia Newton-John ☐ "Let's Spend the Night Together" by the Rolling Stones. Before he plays the next song he plans to award free Osmond Brother tickets to the first caller who correctly answers the question ☐ "How many stars are there in the sky? (to the nearest ten thousand)" ☐ "Who will be the hundredth president of the United States?" ☐ "Are there any words in **Playboy** (centerfold's names don't count)" ☐ "Who listens to WMXM?"

These two young men (picture 3) belong to Alpha Chi, an ancient Greek organization. Garbed in traditional clothes they enjoy participating in sports such as ☐ GrecoRoman wrestling ☐ fooseball ☐ boxing ☐ spear throwing. Instead of trophies the winners are awarded ☐ laurel wreaths ☐ clean sheets ☐ caesars' salads ☐ the Parthenon. After the game they are going to ☐ Mount Olympus ☐ visit Aphrodite ☐ rap with Socrates and Plato ☐ go sailing with Jason and the Argonauts.

These are three members of Beta Triton (picture 4). They are wearing white sweatshirts because ☐ their black ones are dirty ☐ it's more acceptable than going naked ☐ they're cold ☐ their dress clothes are at the cleaners. They are all dressed alike because ☐ they are triplets ☐ they have no originality ☐ it's their uniform ☐ the sweatshirts were a K-Mart blue light special. For the party tonight they are going to change into ☐ Hawaiian shirts ☐ tuxedos ☐ werewolves ☐ real people.

This Phipes member (picture 5) is ☐ introducing himself to the photographer ☐ campaigning for public office ☐ lending a hand to aid a fallen commrade ☐ developing a new exercise program. He is trying to make new friends because ☐ he is lonely ☐ there is nothing better to do ☐ his old friends are boring ☐ he wants to borrow some money. In the background the other Phipes are ☐ laughing behind his back ☐ falling down drunk ☐ pretending to be the Village People ☐ acting outrageous.

At the Activities Fair (picture 6) students are able to get a taste of the many ☐ respectable ☐ captivating ☐ interesting ☐ constantly busy organizations at Lake Forest College. This student is signing up to join ☐ the Navy ☐ the L.F.C. Accordian and Bagpipe Ensemble ☐ Computer Lovers of America ☐ the Dr. Who Fan Club. If he participates long enough in the group he can become the ☐ Grand Poobah ☐ Emperor ☐ Prime Minister ☐ King.

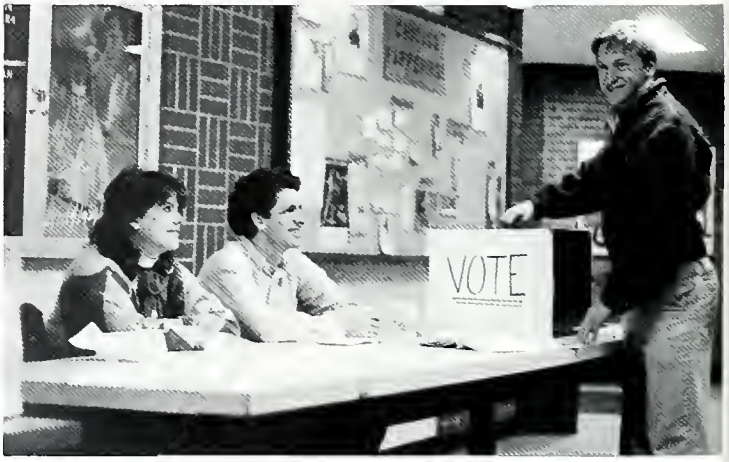
Student Government



Made up of representatives from all the dormitories and from the off-campus student body, the General Assembly of Student Government acts weekly on all issues concerning the students at L.F.C. The 1984 General Assembly, under the leadership of President Jane Doetsch, Vice President Paula Pickering and Treasurer Grant Strousland, dealt with concerns such as housing, budgeting of student activity fees, increasing student access to Chicago, ivestigating student quiet hours, and the college's calendar. The 1985 administration, including President Tedd Termunde, Vice President Beth Fisher and Treasurer Jodi Wixted took over these duties in January.

Alpha Chi

Alpha Chi has truly established a place for itself at Lake Forest College — as a fraternity that demands challenge in meeting its goals. In accomplishing these goals, be they in the classroom or on the athletic field, they have been successful ones. As Alpha Chi enters its third year of success and having solidified into a truly fraternal organization, it can only look forward to the accomplishments, both individually and as a group, that the future holds for AX and the LFC community.

Alpha Pi Delta

Alpha Pi Delta, LFC's newest sorority, combines cohesiveness yet diversity with a strong drive to work together as a unit to benefit others.

They initiated themselves into the college with their first party, entitled "Come Fly With Alpha Pi" But social events are merely one "slice of the Pi!" Last year, they volunteered their services to the Presbyterian Church's annual rummage sale, and won the Alumni donation telethon. This year, their services thus far have been the creation and presentation of a haunted house in Lake Bluff and the making of hospital trays for the meals-on-wheels program. The sorority also sponsors a child in India.

Ambassadors

The Ambassadors is a diversified group of Lake Forest students who serve as campus tour guides for prospective LFC-ers. Each member is selected out of a large number of applicants. The group consists of approximately 40 students who are responsible for giving tours of the campus, hosting the Fall and Spring Open Houses and accommodating overnight visits for interested students. Anyone who enjoys Lake Forest College and his or her experience here is encouraged to stop by the Admissions Office and find out more about our unique organization.

American Marketing Association

The American Marketing Association is a national organization with over 22,000 students and professional business members. The local chapter sponsored activities designed to promote student awareness in the areas of business, marketing and career preparation.

Amnesty International

Amnesty International is a world-wide organization dedicated to fighting human rights abuses. The Lake Forest Chapter has participated in this organization by working for the release of two political prisoners, one in the Soviet Union and one in Rwanda, and creating human rights awareness on campus.

Association for Computing Machinery

The Lake Forest College Chapter of the Association for Computing Machinery is part of a national organization of professionals, educators, and students concerned with all aspects of computers. The chapter endeavors to keep its members and any other interested parties informed of current events and practices in computing by inviting speakers to lecture on campus and arranging tours of computer installations. Representatives of this year's chapter placed second in an ACM Regional Computing Contest, for the second year in a row.

Black United and Concerned Students

This year, BUCS has worked hard to make Black students, as well as other LFC students, aware of Black culture. BUCS sponsored, for the first time this year, a Minority Recruitment Day. This day was planned to try and get more minority students interested in LFC who otherwise might not have heard about LFC. BUCS published several editions of **Black Rap,** a news and literary magazine. BUC biggest project was Black Cultural Weekend, which is a campus wide activity exposing LFC to many aspects of Black culture.

Beta Trition

Beta Triton serves as a satisfying organization for its members and affiliates while providing the college with numerous social and community functions. In an effort to help maintain a healthy social environment for the college,BT annually holds its Student-Faculty Cocktail party, the Homecoming half-time party, the PHDP and Hiroshima mega-parties and the closing party for the gin and tonic season. In addition, BT annually organizes the Student Government debates and several campus-cleanups. BT also actively participates in the Mojekwu and Alumni Fund drives. This united involvement plus each member's individual pursuits and committment to the LFC academic challenge reflects the true spirit of the liberally educated student. Maintaining this traditional spirit will continue to be the primary concern of Beta Triton. Potential members showing a genuine interest are selected annually by active members and are initiated into the fraternity in early February. Interested young men are encouraged to contact members during the Fall semester.

Brotherhood

The Brotherhood is a group that brings many different backgrounds and personalities together into one cohesive group. We provide a social outlet for our members and hopefully the entire campus throughout the school year. Group activities include helping with the Lake Forest Library booksale, entertaining deaf children at Christmas, and helping with the alumni donation telethon.

Campus-wide activities provided by the Brotherhood include parties celebrating Halloween, Christmas, and RA Weekend. Casino Night is held every spring with proceeds going to a favorable charity.

Campus Entertainment Committee

The Campus Entertainment Committee, once again plagued by scheduling conflicts at the early part of the year, managed to overcome the low attendance at bands and directed its energies toward alternative programming. "We have great success with comedians," said Beth Dresing, chairperson of the committee. "Jay Leno, Steven Wright, Franklin Ajaye and Michale Davis were great, and so was the attendance! We're also having much success with the new video system in Commons. We're taking the cue from MTV — music videos are the rage and we don't ever want people to think that we're not up on the lastest fad!"

Film Group

During the 1984-85 year, the Film Group continued to grow even stronger. Not only did the group grow in number, it grew in faculty and student participation as well. Selection of films for the spring semester once again proved that the Film Group was aiming for a quality schedule. "The Big Chill" and "The Rocky Horror Picture Show" were very well received, as were other films on the schedule. Chairpersons Sandra DeRosier and Sarah Spalding were pleased with the possibility of experimenting with various film series as well.

French Club

The French Club got underway this year for the first time with the intent of helping French students with the language as well as understanding the culture of France. In order to do all this, the students were involved in various activities such as a rose sale for Valentine's Day, a wine and cheese party, visits to French Resturants, and student/faculty forums.

Gamma Rho Delta

Gamma Rho Delta, located in Gregory Hall, is a sorority with a diverse membership of 43 women and 16 social affiliates. This newly enlarged group has just begun to set its traditions in the last year. Gamma Rho Events included the Night on the Town Party, the Caveman Party, The Peppermint Pattie Party, a "Big Chill" celebration and the infamous RA 60's Party. Gamma Rho members participated in many different LFC extracurriculars and the sorority as a whole lended a hand to worthwhile community services. Gamma Rho has worked with both the LF Committee for the Allendale Boys' Home and Amnesty International. For guidance, the sorority turns to advisor, Professor Laurie Shrage. Any interested women are welcome to the Gamma Rho Delta punt parties.

Garrick Board

Garrick is an organization of extreme intensity. The hours, the fun, and the tears that it takes to create a show seem endless. But, when you view the final production, it makes all the hours worth it. It is an organization on campus where people can come let their creativity flow and have the opportunity to put it to use. Garrick lends itself to all people from all walks of life — it's just waiting to be explored.

German Club

The first year of the German Club, **der Seewald-Deutschklub,** spread the awareness of German culture throughout the campus, and created a sense of interaction on campus between students and faculty during the Oktoberfest and other events. The Oktoberfest buttons, with the saying "Ein Bier, Bitte," were distributed amongst the students, and everyone was invited to a German Buffet and German Oompah band "The Alpiners," which was held in Szabo, and a party hosted by the club and Phi Pi Epsilon was held at Phipes. The German Club opened up new interests during the Oktoberfest and during the International Candy Sale, where the club sold Advent calendars, gummi bears, and other popular European candies; and the Spring semester prepared other various activities and excursions for the enlightenment of the students.

Interfaith Center

The 1984-85 school year was a busy and successful one for the Interfaith Center. Our weekly events such as Thank God It's Monday, Wednesday Night Meditation, Morning Meditation, Evangelical Christian Fellowship and Sabbath Celebration were all well supported. The Interfaith Center also sponsored such special events as a hayride, retreats, apple picking, fireside forums, a peace concert, a Passover Seder and a celebration of Buddha's Birthday. Associated with the Interfaith Center is the peace and justice group REACT which works on projects of universal concern such as the OXFAM Fast For A World Harvest and the nuclear freeze.

Internat

Internat (meaning "Boarding house" in German) is a group of people who have united their interest with the desire to enhance cultural understanding within the organization itself and the college as a whole. Activities have centered around the international community here at the college in an effort to create a center for these individuals. The orientation of this purpose unit is academic in the sense that it strives toward educated enlightenment.

League for Energy and Environmental Awareness

Aluminum recycling, alternative energy sources and conservation — these are the things that the LEEA is all about. This group provides those yellow newspaper recycling cans that you see all around campus and offers lectures on different energy topics. This group sponsors the annual ravine clean-up each fall. LEEA also plans Energy Awareness Week, Aluminum recycling, and trips to places of interest. Come join the LEEA where you can learn and help the school at the **same** time.

Outing Club

Throughout this year, the Outing Club has been involved in such activities as climbing, cross-country skiing, camping and winter camping in Michigan and Wisconsin. This organization primarily has been formed to allow its members a chance to explore our countries most beautiful area, besides giving members a chance to escape from the realities of college life.

Phi Pi Epsilon

Throughout the entire year Phi Pi Epsilon has contributed to the Lake Forest College community. This healthy combination of academia, social events, and charitable endeavors has brought to light the meaning of unity and fraternity. All those associated with the fraternity have reason to stand proud and state, "GLAD TO BE A PHI PI."

Racquetball Club

The Racquetball Club provides LFC students and faculty with all levels of competition. Workshops and tournaments are sponsored throughout the year, including a 48 hour marathon, with proceeds donated to the American Cancer Society. The faculty advisor is Dr. Robert Troyer and the Chairperson is Ellen Cishek.

Running Club

The Running Club is an organization that brings together runners of all ability to run, as a group, on a weekly basis. The Running Club also sponsors various campus wide events throughout the year, including a minitriathalon, a predictor race and speed races.

Sisterhood

Created in 1980, the Sisterhood is an organization dedicated to serving the needs of Black females in the LFC community. The responsibilities of Sisterhood and its members are to provide services to other members in need, to sponsor social activities and women's discussion groups, to increase the awareness of the LFC community to the concerns of Black women, and to present to the members the growing demands of society on Black women.

Social Services Organization

The purpose of the Social Services Organization at LFC is to provide students with opportunities for community service through volunteer work. Examples include aiding handicapped children, sponsoring parties at homes for the elderly and conducting field trips to social agencies. The Social Services Organization is open to all persons who are interested in volunteer work regardless of major or career orientation.

Society of Physics Students

The Lake Forest College Chapter of the Society of Physics Students is part of a national affiliate organization to the American Institute of Physics. As such, it aims to bring news of developements in physics and astronomy to interested members of the campus community. In addition to lectures, this year's activities included more trips to Yearkes Observatory and Argonne National Laboratories as well as the annual computer fair and work on the chapter's radio telescope.

Spanish Club

Promoting the interests of the Spanish language, as well as discussing hispanic culture and issues proved to be the main goals of Spanish Club members. The club held a weekly "Spanish table" during dinner, in which members tried to gain more fluency and where they talked about such topics as Latin American politics. One of the club's most important and special projects was the sponsoring of a needy Bolivian child. Social events were another significant part of the club's schedule. The club worked with campus purpose units to sponsor several "fiestas" for the student body. Members also attended several music and dance events that related to hispanic culture.

Stentor

The **Stentor,** Lake Forest College's newspaper, was published for the first time during the 1886-87 academic year and has been published bi-weekly or weekly ever since. The newspaper covers campus events, provides editorial opinions and offers a means of expression for the students and faculty. The process of publishing the paper is undertaken by students from assigning the articles to typesetting the copy. The **Stentor** organization accepts anyone willing to put time into producing a weekly publication.

Student Affiliates of the American Chemical Society

The Student Affiliates of the American Chemical Society is an organization which provides undergraduate students with the exposure to more advanced areas of chemistry. There are regular lectures on research and development in the field as well as activities designed to bring the department together. SAACS promotes the idea that learning chemistry can be instructive **and** fun.

Tusitalia

Tusitala, the Lake Forest College student literary magazine, every year publishes a magazine of the best works submitted by both writing students, and those who have a personal interest in writing. The editors and staff work closely and seriously to decide which works most merit publication. Often at meetings staff members argue for those works they feel are best, and try to explain why they believe their choice should appear in the magazine as opposed to another work. However, the staff is always proud of its final production, and this year's publication has been no exception.

Also, in the 84-85 school year, **Tusitala** held student readings, which were quite successful. The magazine staff has always felt that, besides publication, readings are a good way for students to share their work, both completed and in progress.

WMXM

Operating out of the basement in Commons with 300 watts of power, two turntables and thousands of record albums, WMXM — 88.9 FM provided the campus and the surrounding community with a variety of music, news and public service announcements. The student operated and supervised station enjoyed renewed popularity with an increase of over 80 members.

WMXM's diverse musical programming included mainstream pop and rock, reggae, classical and heavy metal but also focused on alternative styles such as techno-pop, post punk and dance music. Aside from offering an alternative to commercial radio, the station supplied world, national, local and campus news delivered and prepared by students. Other WMXM activities included sponsorship of live band performances, record and ticket give-aways, and a DJ marathon during the Spring semester.

Forester

The **Forester** Yearbook is put out annually by a small group of students who have a sincere desire to recreate all the excitement of a school year in less than 300 pages of words and pictures. It is not an easy task. Photographers have to go to events that they'd avoid like the plague if it weren't for the yearbook, and layout and copy people spend many long hours trying (and sometimes succeeding) in being witty and creative. If it sounds like a drudge, it's not, it's just a challenge. If you'd like to accept the challenge, the staff can always use a few good people!

Sports

In a rare off moment this L.F.C. soccer star (picture 1) misses the ball and screams in anguish ☐ "Oh $#*@!" ☐ "The Sting isn't going to want me now." ☐ "We'll never close the 15-0 gap now." ☐ "I can't see the ball, maybe I should open my eyes." "I hope my teammates don't ☐ shoot me ☐ hate me ☐ banish me from the team ☐ push me off the fifth floor of Young Hall. Instead of playing soccer maybe I should play ☐ Trivial Pursuit ☐ Monopoly ☐ croquet ☐ solitaire."

In the midst of an intense hockey game (picture 2) two L.F.C. players are discussing ☐ the weather ☐ the latest developments on Wall Street ☐ Steven's return to homosexuality on "Dynasty" ☐ Bo the Incredible Trick Hamster's guest appearance on David Letterman's Stupid Pet Tricks. They are also gossiping about the hockey team members' ☐ love lives ☐ future hopes of playing for the pros ☐ impressive and successful season ☐ plans for the weekend. They are both standing on the sidelines because they ☐ tripped another player ☐ made faces at the referee ☐ are exhausted from playing so hard ☐ wanted to discuss last night's episode of "Dynasty." They hope to return to the game before ☐ the ice melts ☐ the turn of the century ☐ they forget how to skate ☐ the end of the game.

While trying to score for the Foresters this basketball player (picture 3) is thinking ☐ "I'd rather be at home watching reruns of "Love Boat" ☐ Too bad I'm not as tall as Wilt Chamberlain, but at least I'm taller than Herve Villachaize ☐ I should have eaten my Wheaties today ☐ I got out of bed for this?" "Missing this basket would be worse than ☐ having four wisdom teeth pulled at once ☐ eating the Mexican buffet at Szabo ☐ being hit by a Mack truck ☐ being eaten alive by tarantulas." "Of course if I make the basket ☐ the Celtics will sign me tomorrow ☐ I'll feel like a king ☐ my teammates will buy me a keg ☐ the game is in the bag."

Before their swim meet the swim team (picture 4) is ☐ praying ☐ psyching themselves up ☐ ridiculing the other team ☐ doing isometrics. They all enjoy everything about swimming except ☐ getting wet ☐ the chlorine ☐ the less than fashionable swimwear ☐ the early morning practices. This particular swim meet was very ☐ successful ☐ tiring ☐ exciting to watch ☐ action packed. When the meet is through they can ☐ get out of the water ☐ celebrate ☐ take off their funny swim caps ☐ be proud of their performances.

This unfortunate football player (picture 5) might have scored the winning touchdown for Lake Forest if ☐ he could run and carry the ball at the same time ☐ he hadn't "fall down go boom" ☐ the ground wasn't so slippery ☐ his shoelace hadn't been untied. To his amazement the crowd ☐ threw tomatoes at him ☐ cheered endlessly ☐ got up and left ☐ was sympathetic. After the game he is going to ☐ hide in his room ☐ drown his sorrows ☐ watch "Sale of the Century" ☐ go to Scornovacos.

The L.F.C. field hockey team (picture 6) is shown in action trying to rack up another victory. L.F.C. imports field hockey players from ☐ prep schools like Choake and Blessed Saint Mary's of the Bubbling Brook and the Virgin Woods ☐ Martha's Vineyard ☐ Greenwich, Connecticut ☐ Scotland, where even the men wear skirts. The field hockey team members want to be on the team so they can wear uniforms designed by ☐ Christian Dior ☐ K-Mart ☐ Saks Fifth Avenue ☐ Venture. Of course to be a team member you have to ☐ know the preppy anthem ☐ have team spirit ☐ like pink and green ☐ be able to hit the ball.

Women's Softball

The Lady Foresters last spring had a great season, finishing with a 14-7 record and the North Division Championship of the MACW. This year's squad is going for it all. Donna Lawlor will anchor the pitching staff coming off a 10-5 mark with a 2.12 ERA. A total of nine players are returning with a very promising group of freshman and the pride and incentive to bring a conference championship to LFC.

Back Row: Ansa, Edenhofer, Rosen, McKee. **Middle Row:** Dalzell, Doss, Hahn. **Front Row:** Coach Trefny, Lawlor, Boe, Youngquist, Coach Gordon, Fischbein.

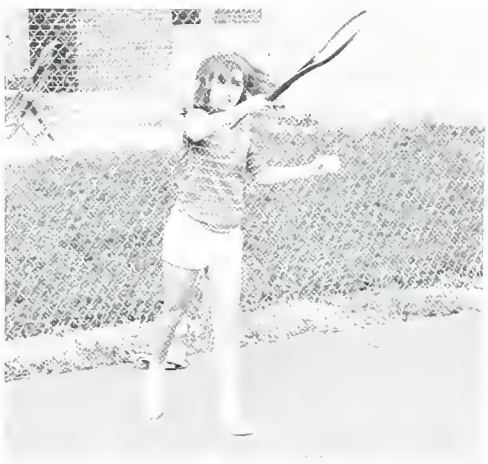
Women's Tennis

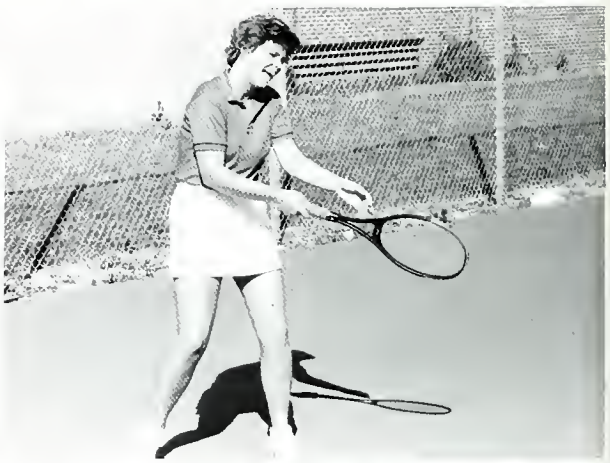
Even though the Lake Forest Tennis Team got off to a shaky start, they ended their 1984 season with an impressive Second Place finish in Conference. The Foresters finished with 61 points, just five points behind first place finisher Cornell College.

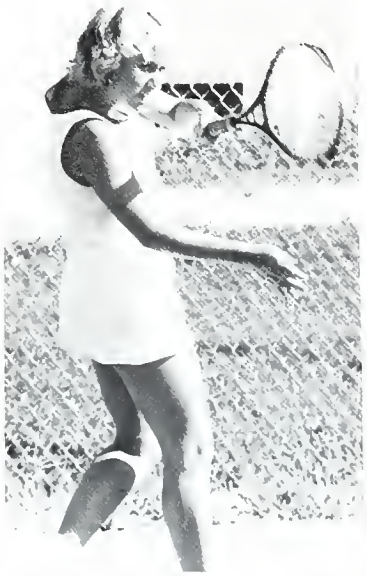
With the experience of six returning lettermen and the addition of five new players, the team's overall record turned out to be 5-6 despite the several matches narrowly lost to DePaul, Wheaton and the University of Chicago.

Freshman MVP Caroline Guip had a tremendous first year on the team, winning two first places in the Conference tournament at number two singles and third doubles with Captain Patrice Cooper. Cooper, the only four year veteran, was MIP for the '84 season after she chalked up an impressive 9-0 record at number five singles. Another standout in the conference tournament was Junior Grace Keeble who finished first at number four singles.

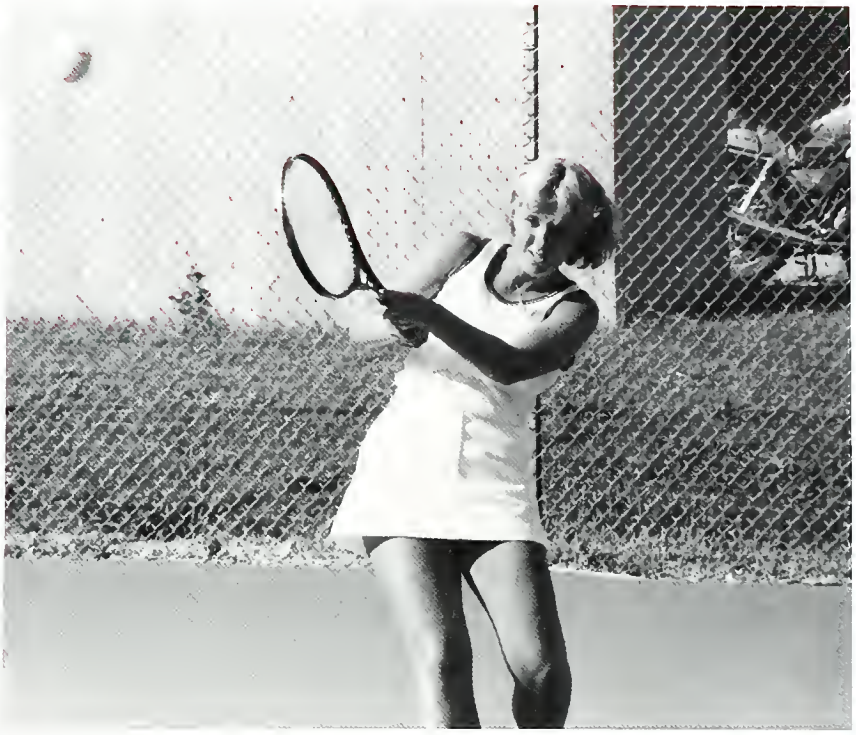
"M.T.B.R. . . ."







Back Row: Venebles, Clitherow, Coach Ramsey, Roseri, Cooper. **Front Row:** Keeble, Bond, Guip.



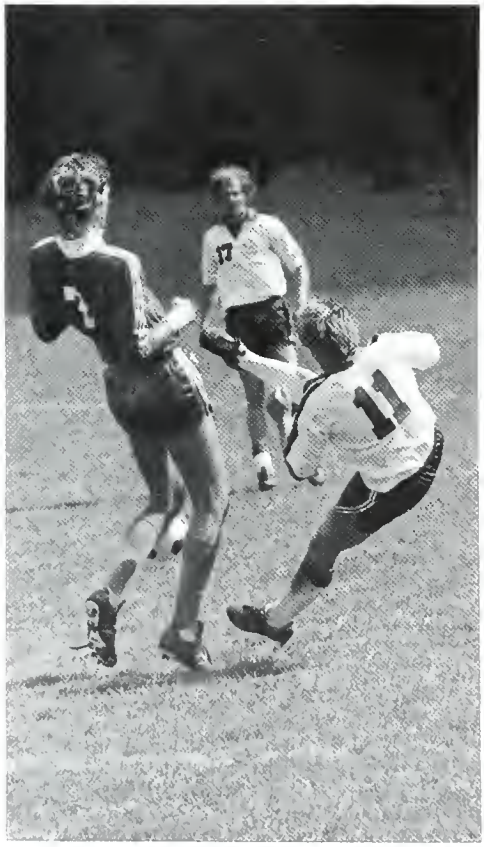
Field Hockey

The Lady Foresters completed a very successful 1984 season, placing fifth overall in the Great Lakes Region. Losing only three players from the previous season, the team returned strong and experienced, becoming even stronger with the addition of new supporting players. Adhering to a very demanding schedule, the Lady Foresters were brought against many new and competitive teams, yet were able to sustain — outshooting and outscoring their opponents, with Heather Paine and Casey Sherwin leading in goals and Jenny Coyle leading in assists. At the close of the season, their record was nine wins, six losses and one tie.

Back Row: Stanley, Krawchuk, Outerbridge, Rosenthal, Paine, Cheston, Brundage, Phillips. **Middle Row:** Paige, McGuill, Henderson, Tolleson, Stoops, Kinsella, Anderson, Hearns, Coach Trefny. **Front Row:** Polese, Henderson, Wohltman, Coyle, Sherwin, Ashmead.

Soccer

The Forester soccer team finished with a 9-6 record and the MCAC North Division championship. It was a year highlighted by eight shutout victories, while scoring 40 goals and allowing only eight. The team's goals against average was an unbelievable .733 per game. The team displayed a strong control game that ranks with the finest in recent history. On a whole the team can best be described as a superb defensive unit with an explosive offense. Much of the character and cohesiveness was due to the outstanding leadership of its captains, Frank O'Brien and Gene Logomarsino, its seniors and the attitude of the support players.



Back Row: Wittmer, Babington, Waclawek, Carr, Miller, Nicoli, Koslow. **Third Row:** Lennon, Krawchuk, Secor, Burke, Kunzmann, Cunningham, Senft, Minarik. **Second Row:** Coach Coleman, O'Brien, Willett, Davidson, Coach Fritz, McCann, Wagner, Lagomarsino, Coach Ekker. **Front Row:** Sullivan, Fell, Spencer, Manager, Goodwin, Hannigan, Weiner, Stewart.

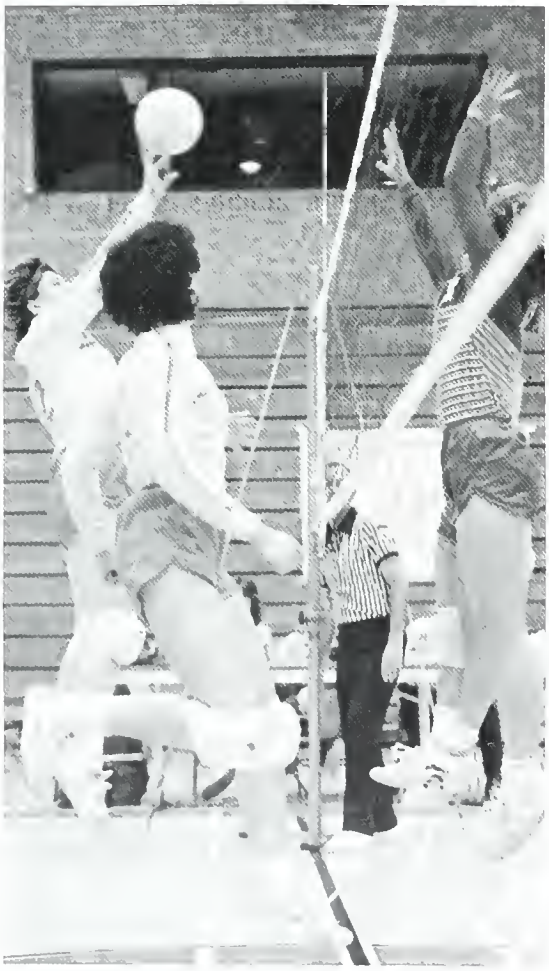
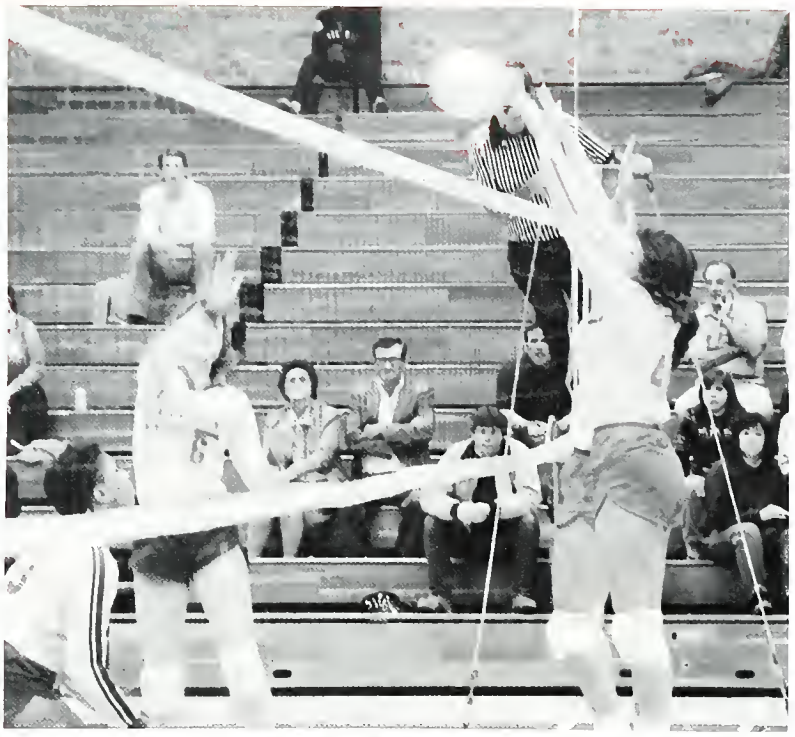
Volleyball

The 1984 Volleyball season was a success for Lake Forest. The Foresters, led by Coach Betty Kaufman and Assistant Coach Karen Pierson, finished the season with a record of 24 wins and 9 losses. This earned the team a ranking of second in their division. Since Marla Jones, Deb Boe, Kathy Jones, and Tria Burgy were the only seniors on the '84 squad, the Lady Foresters show potential for an even better season next year. According to freshman hitter MaryJo Casaletto "The upperclassmen have laid a very strong foundation that the underclassmen will build upon in the future."



Back Row: Coach Kaufman, Jones, Burgy, McBride, Griffin, McKee, Kerbis, Coach Pierson, Lawlor. **Middle Row:** Hahn, Edenhofer, Casaletto, Boe. **Front Row:** Staroszczyk, Ward, Youngquist, Ross.

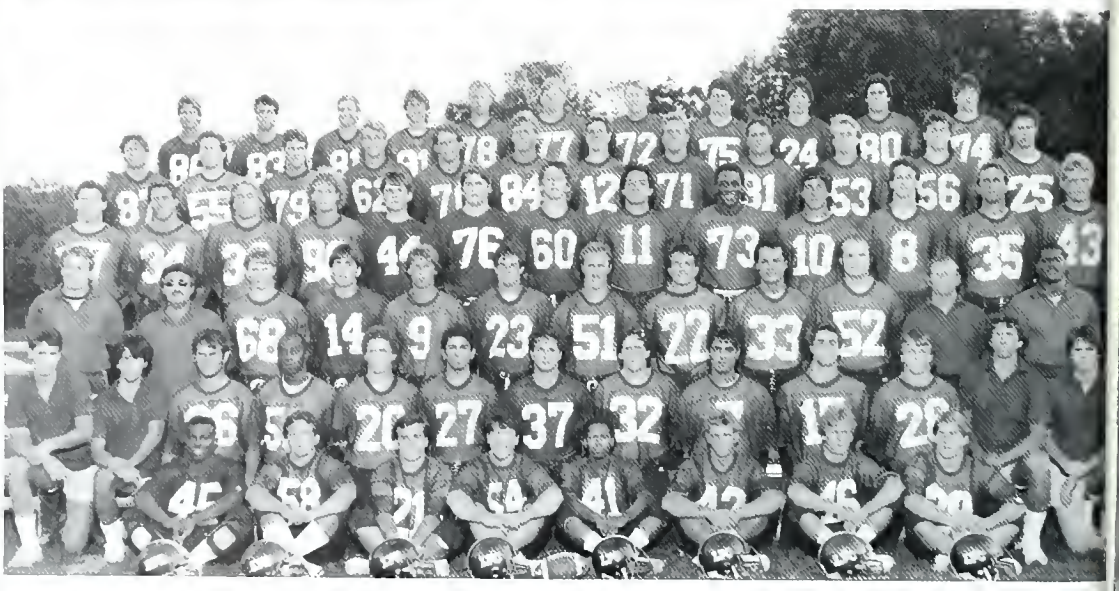


Football

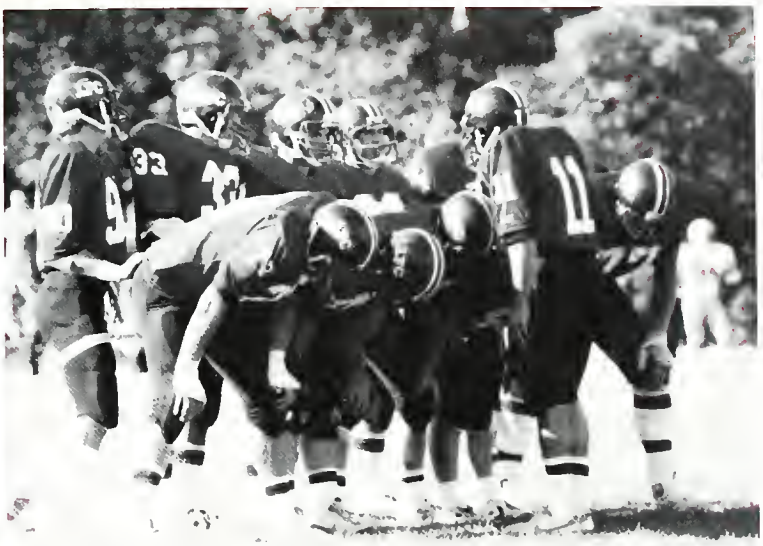
To call a 6-2 season a difficult season to take sounds ridiculous, but the 1984 Forester football squad's season fits that description. A second consecutive MCAC Championship slipped through Lake Forest's grasp by tough losses to Beloit and St. Norbert.

Despite the loss of the title, Forester football had a successful year. The defense, anchored by Senior Captain tackle Joe Sullivan, allowed only 57 points — the lowest total of any college in the state of Illinois. Senior quarterback Mark Vruno led LFC to a thrilling comeback win over Lawrence. LFC recorded three shutouts, one over Monmouth, in front of a huge Homecoming crowd.

The fine group of Seniors will most definitely be missed next year, but they put on a pretty good show this year — a tough act to follow in 1985.

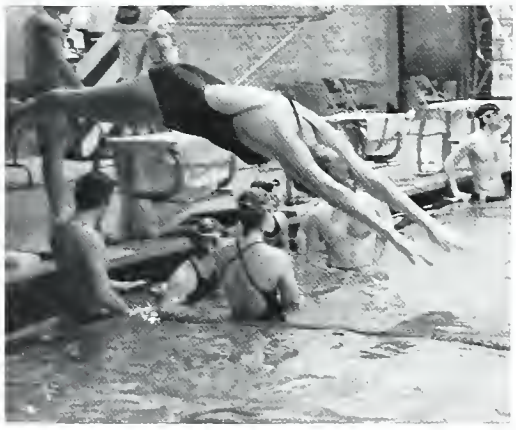


Back Row: Redig, Kramb, Dauk, Brush, Larson, Jahn, Sullivan, Walker, Whalen, Ippolito, Chasteen. **Fifth Row:** Hall, Smith, Palubin, Prosniewski, Hamblett, Olsen, Vruno, Taylor, Jatis, Everly, Loll, Horne. **Fourth Row:** Teel, Wells, Gadszinski, Weiss, Augsberger, Wagner, Gritt, Cortez, Barnes, Gaffney, Malles, Marra, Lundgren. **Third Row:** Coach Dau, Coach Giannamore, Wynn, Van Haaften, Southworth, Lasher, Fraider, Kaiser, Rhee, Terry, Coach Bauman, Coach Braxton. **Second Row:** Kendler, Carkeek, Callahan, Webb, Baird, Rivas, Tatera, McPartlan, Khan, Conforti, Berninzoni, Mort, McLaughlin. **Front Row:** Walker, Martin, Knous, Ciszek, Murray, Lundgren, Cleary, Zeller.

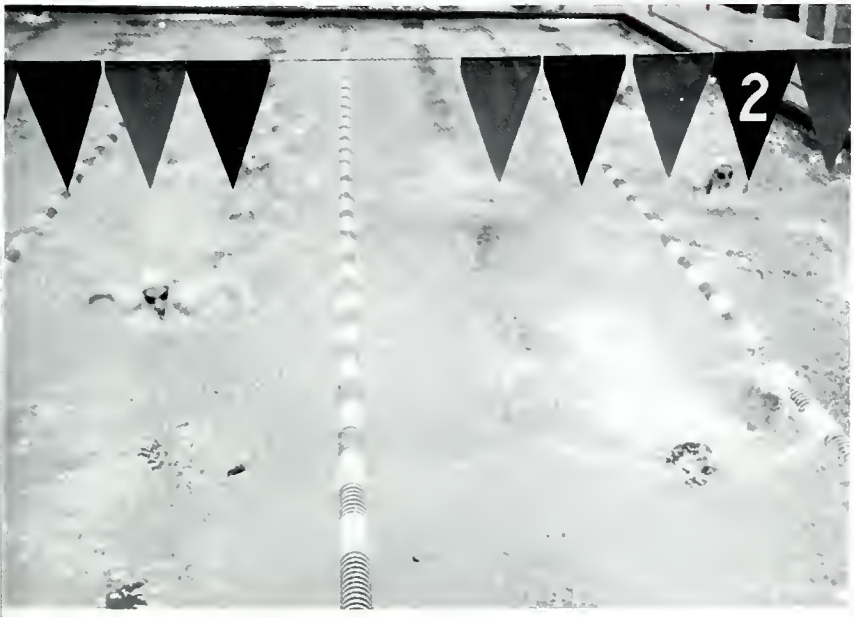


Swimming

The 1984-85 Swimming and Diving Foresters will add another successful season to the record books. Captains LeeAnn Lada and Phil Klinkner lead an enthusiastic team composed of Freshmen and transfer students with exciting new personalities and veteren Foresters of refined character. The women's team continued their legacy of undefeated dual meets and the men's team created a new legacy of dual meet victories. The men and women plan to win the Conference Championships for each team, which are being held this year at the LFC pool. The team also expects to bring several men and women to the NCAA Championships.



Board: Greene, Klinkner, Engel, Wessels, Heiser. **Ladder:** Corr, Meyers. **Second Row:** Edwards, Lada, Dauner, Salla, Bosko, Abantangelo, Broderick, Picture Crasher, Dunlap, LeFaver. **Front Row:** Dryden, Schreiber, Kramer, Nelson, Walker, Finley, Seese, Barrett.



2

Hockey

As expected, at the midpoint of the 1984-85 Lake Forest Varsity Hockey Season, the Foresters had an impressive 12-5 record and were rated 4th in Division III Midwest rankings.

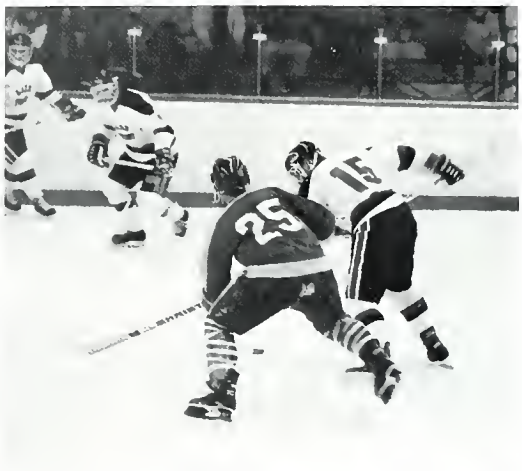
Led by Senior captains Jon Pingree and Randy Williamson, Lake Forest had beaten the likes of Notre Dame, Air Force, University of Wisconsin-Superior, and University of Steven's Point at the halfway mark of the 1984-85 campaign.

Spurred by the superb goaltending of sophomore Gary Willett, and talented scorers Steve Pinciak, Tim Locke, Marty Whittmer, Kevin Collins, and Kevin Hannigan, the Foresters were able to combine a strong defensive game with a dangerous offensive.

Anchoring the defense during the year were veterans Jon Pingree, Peter Goodwin, John Flahive, Tim Kelly, Mike Whalen and Roger DeGregorio.

With seven games remaining, against Kent State, Dearborn, and the University of Illinois-Chicago, the Foresters have their work cut out for them. But if they play with emotion, and the expected enthusiasm of past years, success in the playoffs could be a reality.

Back Row: Teel, Coach Coleman, Utter, Kelly, Norton, Wilford, Flahive. **Middle Row:** DiGregorio, Spencer, Hondros, Locke, Whalen, Wittmer, Hannigan, Gibbons, Coach Fritz. **Front Row:** Willett, Przybysz, Krawchuk, Parker, Pingree, Williamson, Collins, Goodwin, Kunzmann.



Women's Basketball

The 1984-85 women's basketball team had great desire and determination to be successful. Captain Wendy "Weasel" Widing and Chris "Moses" McBride, both Sophomores, are the veterans of the team. Other members include Sophomores Cathy Milano and Lynnsey Ansa, and Freshmen Judy Wiesbrook, Suzi "Sumo" Hirsch, Amanda "Hammerhead" Dagres, Brigit Wehrle and Ruth Pemberton. Since Christmas Break, this young team has compiled a respectable 3-2 record, and is currently 3-1 in Conference Play. The team should continue to show marked improvement and post a much higher win-loss record than in the past.

Back Row: Coach Zolli, Wiesbrook, Wehrle, Pemberton, Dagres, Hirsch, Coach Kaufman. **Front Row:** Mittoraj, McBride, Widing, Milano, Ansa.

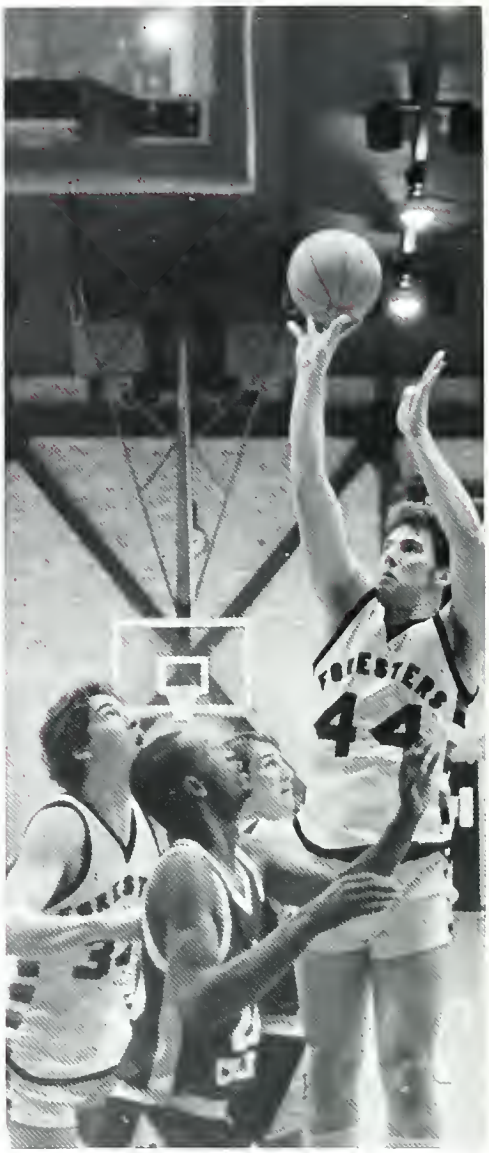
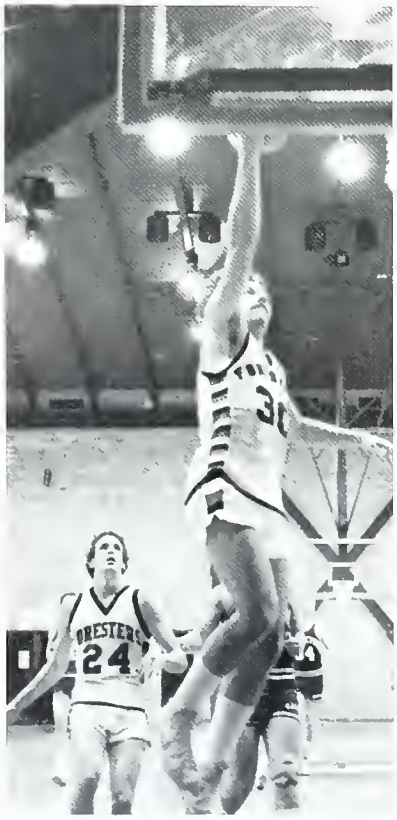
Men's Basketball

With the loss of only one starter to graduation, the 1984-85 Men's Basketball team started the season with great potential. That potential has been realized, for at the time the yearbook went to press, the team was 7-1 overall. The team is led by captains Senior Kenny Kelly and Junior Chris Stenzel. Both have had excellent seasons thus far with Kelly leading the conference in assists and Stenzel ranked in the top ten in Division III rebounding. Sophomore Tim Bernero has had an incredible season. He leads the conference in field-goal percentage, and is in the top ten in scoring and rebounding. Junior Dave Czeszewski took over at point guard this season and has done an admirable job. Junior Rick Rice returned to the starting line-up, after an ankle injury last year, and has played well at both ends of the court. Overall, the strength of the returning players and the talent of the freshmen can only mean that the men will finish with an outstanding record.





Back Row: McKee, Chantha, Auffrey, Hoffer, Mandell, Carter, Ortiz, Mackowski, Scimeca. **Middle Row:** G. Redig, Bostrom, Rick, Benero, D. Redig, Czeszewski, Ellis. **Front Row:** Coach Baade, Kelly, Stenael, Coach Miller.

Handball

The 1984-85 LFC Handball team started off the season with high hopes for capturing the intercollegiate team title for the eigth year in a row.

The men are led by senior captain Jon Kendler, who is joined by returning players Jim Carkeek, Randy Gappen, Andy Mclaughlin, and Freshman, Bill Flahive.

Senior captain Cathie Griffin led the women's contigent which includes Kristen Hurley, Meghan O'Donnell, Lolly Gaines, Peggy O'Neill and Gina Ross.

The team has played well in preseason tournaments and hopes that their combined strength is enough to bring the team title home from Austin, Texas in March.

Back Row: Coach Dau, Gappen, McLaughlin, Kendler, Flahive, Carkeek. **Front Row:** Hurley, O'Donnell, O'Neill, Ross, Gaines, Griffin.

Adminstration and Faculty

After a strenuous day of classes, history professor Art Zilversmit (picture 1) is biking off to ☐ North Hall ☐ Italy ☐ Hawaii ☐ a Van Halen concert. He is going there to ☐ relax ☐ get a tan ☐ see Bo the Incredible Trick Hamster ☐ deal with administrative red tape. He is riding a bike because ☐ his car is in the shop ☐ it costs too much to fly ☐ he missed the train ☐ his roller skates are broken. Riding his bike keeps him ☐ in good shape ☐ exhausted ☐ young ☐ busy.

Herr Clayton Gray, while lecturing his class out of doors (picture 2) discusses such topics as ☐ conjugating German verbs ☐ playing the harpsichord ☐ how to be outgoing ☐ how to sing. His lecture is so interesting that the students are ☐ falling asleep ☐ writing letters ☐ becoming smarter in leaps and bounds ☐ thinking of becoming German majors. Being outside they find themselves bothered by ☐ bees ☐ ants ☐ Herr Gray's puns ☐ students playing frisbee. Having class outside is ☐ a change of pace ☐ not possible for professors who need blackboards ☐ fun when it's warm ☐ not a good idea when it's 20° below zero.

Three prominent L.F.C. sports enthusiasts (picture 3), during half-time at a football game find themselves discussing ☐ the possibility of making polo a varsity sport ☐ last week's fascinating Convocation speaker ☐ the football team's defensive line ☐ the recent coup d'etat in Antarctica. When the game ends, they intend to go to ☐ The Lantern ☐ President Hotchkiss' office ☐ the moon ☐ a Brotherhood party to finish their discussion. It should be quite ☐ stimulating ☐ boring ☐ intellectual ☐ fun.

Chemistry Professor Dr. Martin (picture 4) is speaking with a student about ☐ the positive rewards of taking Organic Chemistry ☐ the need to ban preservatives and additives from food ☐ entropy ☐ his latest experiment. It is important for everyone to have a working knowledge of these things in order to be ☐ well-rounded ☐ a chemistry professor ☐ unemployed ☐ a worthwhile person. After listening to Dr. Martin the student is ☐ going to change his major to Art History ☐ perplexed ☐ ready to take all the classes Dr. Martin teaches ☐ all atwitter.

Professors Glassman and Tompson (picture 5) have just come from Commons where they ☐ watched "All My Children" ☐ ate lunch ☐ stopped to chat with students ☐ checked their mailboxes. In the mail they found ☐ lots of bills ☐ fan mail ☐ journals they will never read ☐ memos from the Dean regarding the overuse of memos. They are now discussing ☐ never going to their mailboxes again ☐ Sociobiology ☐ Erica's latest exploits on "All My Children" ☐ the weather. These professors enjoy each other's company because they are both ☐ brilliant ☐ goodlooking ☐ dynamic speakers ☐ incredibly modest.

Professor of Art Michael Croydon (picture 6) is discussing his students' works with them. Here he is telling a student that her drawing of ☐ Szabo food ☐ Mick Jagger's lips ☐ a nude Miss Piggy ☐ a steamy sex scene from the last episode of "Dallas" is inappropriate. He suggested she ☐ hang it in The Louvre ☐ run it over with a bulldozer ☐ burn it ☐ give up her dreams of being a famous artist. He proposed that a more appropriate topic would be ☐ a still life ☐ a self-portrait ☐ Durand Institute ☐ the snow covered campus.

When I dream . . . .
I can be out along the stars somewhere all alone without a care
I can be anything when I dream
By myself
All I want to do is find what it's all about
I'm reaching out
Knowing there must be more
I imagine when I dream what I've never known or felt before
When I dream . . . .
I can turn reality into anything I see all at once I am free
I can be in the sky or on the ground of the earth, but not earthbound
I can be anything when I dream

In the world's broad field of battle,
  In the bivouac of Life,
Be not like dumb, driven cattle!
  Be a hero in the strife!
Trust no Future, howe'er pleasant!
  Let the dead Past bury its dead!
Act, — act in the living Present!
  Heart within, and God o'erhead!
Lives of great men all remind us
  We can make our lives sublime,
And, departing leave behind us
  Footprints on the sands of time;
Footprints, that perhaps another,
  Sailing o'er life's solemn main,
A forlorn and shipwrecked brother,
  Seeing, shall take heart again.
Let us, then, be up and doing,
  With a heart for any fate;
Still achieving, still pursuing,
  Learn to labor and to wait.

Stephen Arthur Kupiec

What was our trust, we trust not,
What was our faith, we doubt;
Whether we must or must not
We may debate about.
The soul perhaps is a gust of gas
And wrong a form of right —
But we know that Energy equals Mass
By the Square of the Speed of Light.
What we have known, we know not,
What we have proved, abjure.
Life is a tangled bow knot,
But one thing still is sure.

Your docile creed recite:
"We know that Energy equals Mass
By the Square of the Speed of Light."

There is no need
to run outside
  for better seeing,
Nor to peer
from a window
  Rather abide
  at the center
  of your being;
For the more you
leave it
the less you learn
  search your heart
  and see
If he is wise
who takes each turn;
  The way to do
  is to be.

You must blaze a trail of your own, unknown,
alone,
But keep in mind
Don't live today for tomorrow like you were
immortal
The only survivors on this world of ours are . . .
. . . the warming sun, the cooling rain,
The snowflake drifting on the breath of the breeze,
The lightening bolt that frees the sky for you
Yet only eagles seen to pass on through,
The words of love, the cries of hate,
And the man in the moon.

Guess I must be having fun
The less we say about it, the better
Make it up as we go along
Feet on the ground

"There are situations in which one is cut off from the opportunity to do one's work or to enjoy one's life; but what can never be ruled out is the unavoidability of suffering. In accepting this challenge to suffer bravely, life has a meaning up the last moment, and it retains this meaning literally to the end."

Caroline,

From Country Day to Purnell to Lake Forest to? From soup to nuts, you had it all, and breezed through like a pro — we are all so very proud of the way you have handled everything in your life, and we know that you will continue to excel in anything you set your mind to do. You have courage, strength and determination — what more could one person want? Keep up the good work.

So many times through the years, I have been complimented and given the credit for your being the fine and good person that you are.

Correction, the credit is yours alone, as you are a fine and good person naturally.

It has been and always will be a privilege when I hear you say "Mom."

Karen,

When we received the opportunity to write something to you in **The Forester** it wasn't hard to decide what it should be or if we wanted to do it.

When we were blessed with you it was a very special day in our lives. You have always brought joy and happiness to us. We are very proud to be able to say you are "OUR DAUGHTER."

We found this poem by Amanda Bradley and it reminded us of you:

SOME PEOPLE GIVE FROM THE HEART

Some people seem to specialize
In doing thoughtful deeds.
Before you ask, they understand
Your problems and your needs.
Quietly, they do their best
To help, inspire, and cheer
And everything looks brighter
Right away, because they're near.
They always have a lot to do
But still find time to spare
To listen and to give advice
Because they really care.
They help because they wanted to,
They find joy in being kind,
And making others happy
Is the first thing on their minds.
They make this world a better place
By practicing the art
of reaching out to others
And by giving — from the heart.

May you have all the health, happiness and success that life has to offer. You are indeed a VERY SPECIAL PERSON who is loved very much. You have touched our lives.

Love Always

Dear Janis Lynn,

Remember when

We remember when you were born. You made our family complete since you already had a brother. We remember when you learned how to walk and talk. How sweet you were. We remember when you started school. How proud we were then, too. We remember your transition from grade school to high school. What a lovely girl you became. We remember your decision to leave home for Lake Forest. You broke the ties but our love for you grew. We remember your struggles, frustrations and determination to persevere in your goal. Wow, a Chemistry and German major! We remember then and now the joy you bring us. Oh, how well we remember!

Our love always,
Mom & Dad

P.S. God bless you and may the future bring you good fortune in your career; happiness and health in your life.

Dear Julie,
May all your dreams come true. We love you.

Well, everything else is done, and now I'm supposed to say something witty and meaningful that will sum up this past year, and for us Seniors, the last four years. I find this to be an impossible task, however. How can I, in 500 words or less, even begin to explain all of the ways LFC has changed us? Friends, professors, clubs, classes, sports, parties . . . all of these have contributed to our overall "LFC experience." Whether it's been all good, all bad, or somewhere in between, we must all acknowledge the fact that LFC has influenced our lives, shaped us, formed us, pushed us in the direction the rest of our life is to take. Certainly, if we took advantage of even some of the great opportunities LFC offered us, we should all succeed when we venture out of "The Forest" into the "real world."

I'd like to thank Ellen and Rob for all of their help putting this book together. They made the experience almost fun! Thanks also to Terri and Keith for all of the hours they spent locked up in a little dark room for the **Forester's** sake! I'd like to thank LFC for the opportunity to work on a yearbook, and I thank my mom, dad and God for producing me so I could produce this!!

This yearbook is an attempt not to **preserve** memories, but to serve as a catalyst years from now, to help you recall the good memories of a very important time in your life. I hope the pictures and words we have included in this book will do that for you. I know they will for me.
